

## Make 100

Tens	Ones
2	4
5	6
1	9

**Materials:** Set of number cards (0-9), Tens and Ones boards

---

1. Work with a partner. Take it in turns to choose a number card and decide where to place it on your Tens and Ones board. Your aim is to get as close to 100 as possible by creating three two-digit numbers.
2. Keep going until you each have three two-digit numbers on your Tens and Ones board.
3. Add your numbers. The player whose sum is closest to 100 scores a point for the round.
4. Play another round.
